13:40	<p>C109 Difficulties for people from abroad in Japan (;Sawyer) First, we will introduce the communication problem using the examples of difference of thinking between Japanese and Americans. Then, we will talk about education problems that immigrants who live in Japan have by thinking about the way to solve. For religious part, we will give examples that many foreigners might have religious problem in Japan such as they are sometimes not understood by other people in some situations, and how they face it and how they could solve that problem</p>

16:40	C115 We study English for WHAT? (; Sawyer) From 2012, new English education the Ministry of education arranged will start on junior high school. Main change is increase of numbers of English class and vocabularies with the purpose for cultivating the basic of communicative competence. We focus on "comprehension of cross-culture" one of the goals. What is an ideal class in the new curriculum?
17:00	C116 (;)
17:20	C117 Greene You decide what you want to do with your life. Don't let others do that. IT IS YOUR LIFE.
